2026 Pharmacy Directory

This Pharmacy Directory was updated in April 2026. Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [HealthSpring.com/GroupMA](https://www.healthspring.com/GroupMA). For more recent information or other questions, please contact HealthSpring Customer Service at **1-888-281-7867 (TTY 711)**, October 1 - March 31, 8 a.m. - 8 p.m. local time, 7 days a week. April 1 - September 30, 8 a.m. - 8 p.m. local time, Monday - Friday. Our automated phone system may answer your call during weekends, holidays and after hours.

Introduction

This directory provides a list of your plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and your plan's formulary.

When this Pharmacy Directory refers to "we," "us," or "our," it means HealthSpring. When it refers to "plan" or "our plan," it means HealthSpring True Choice (PPO) with Broad Pharmacy Network, HealthSpring Rx (PDP) with Broad Pharmacy Network.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under your plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of April 2026. For the most current list, please call Customer Service at **1-888-281-7867 (TTY 711)**.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a gray box to distinguish them from other pharmacies in our network that offer standard cost-sharing. If you are a member of our HealthSpring Primary HMO or HealthSpring TotalCare HMO plans, your cost-share may be the same at a standard network pharmacy as it would be at a preferred network pharmacy.

You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order and your method of payment. If you do not receive your prescription drug(s) within this time, please let us know. For more information, please contact us or see the mail order section of this *Pharmacy Directory*.

This directory is for **Delaware**. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our plan.

For information on more pharmacies in our plan network not listed in this directory or for any other questions about this directory, please call Customer Service at **1-888-281-7867 (TTY 711)**.

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order and your method of payment. If you do not receive your prescription drug(s) within this time, please contact us at the phone number on the cover and TTY number/TRS Relay number 711.

Your plan will cover home infusion therapy if:

- Your prescription drug is on your plan's formulary or you have a formulary exception.
- Your plan has approved your prescription drug for home infusion therapy.
- Your prescription is written by a doctor; and an authorized prescriber.
